BHADRAVATI DIVISION.

Abstract Notification dated 29th June 1940.

The attention of the public is invited to the sale notification of date regarding the sale of Teak pieces in Joldhal, published on pages 1608-1609, Part VI of the *Mysore Gazette*, dated 4th July 1940.

Notification dated 7th July 1940.

Sealed tenders are invited for the cutting and carting of special poles in Bhadravati Division during the year 1940-41 as detailed in the schedule annexed hereunder.

2. The tenders should be addressed to the District Forest Officer, Bhadravati, and should reach him on or before the 31st July 1940 till 4 P.M. Any tender received after the above mentioned time will not be taken notice of.

3. Each tender should be accompanied by an earnest money deposit of Rs. 50 in the form of currency notes and should be superscribed as "Tender for the cutting and carting special poles."

4. The right of accepting or rejecting any tender is vested in the Conservator of Forests, Shimoga, who is not bound to assign any reason for accepting or rejecting the lowest or any tender. The rate to be quoted is for collection, carting and for loading in trucks. The successful tenderer is required to enter into an agreement with the District Forest Officer within a week from the date of the receipt of intimation of the acceptance of his tender, binding himself to observe the following conditions, failing which the contract is liable to be cancelled and the earnest money forfeited to Government. The power of giving the contract to one or more persons is vested in the Conservator of Forests, Shimoga.

5. For the due fulfilment of the terms of contract, the successful tenderer should deposit in the Government Savings Bank, a sum of Rs. 100 as security (including the earnest money noted in condition 3 above) duly pledged in the name of the District Forest Officer, Bhadravati. The amount is liable to be forfeited to Government for the breach of all or any of the conditions of the contract. The earnest money of unsuccessful tenderers will be returned to them by means of cheques on the production of the receipts granted to them.

6. The subjoined statement shows the kinds and quantities of special poles required.

7. Separate rates should be quoted for collection and carting, though the tender is for both the works.

Conditions.

(*a*) The contractor should fell only such trees as are marked by the Range Officers. Felling of any trees not containing the marking number and the impression of the marking hammer will constitute an offence.

(*b*) The trees so felled should be taken up in a serial order and dressing done properly and neatly by means of felling axes.

(*c*) While dressing, care should be taken to see that the poles are prepared according to the specifications fixed for each without allowing any useful portion to go to waste.

(*d*) The instructions given by the Local Range Officers in the matter of felling and dressing should be strictly adhered to.

(*e*) Payment for collection and dressing charges will be made once in a month on bills certified by the Range Officer for such of the poles as are accepted as good by the Wood Preservation Plant Officer, Bhadravati, and no amount will be paid on rejected ones. The claim for one full month should be prepared in one bill next month, and no part or belated claim will be admitted.

(*f*) Supply of poles should be commenced by 1st November 1940 and the full number required supplied before the end of April 1941, the supply being spread over fairly uniformly during the period. Besides the quantity found in the schedule, the contractor must be able to collect any more quantity that may be required for the year. Failure on the part of the contractor to collect the poles as noted above, entails the forfeiture of the whole or such portion of the security as the District Forest Officer deems fit. If the collection work of the contractor is slack during any fortnight and if in the opinion of the District Forest Officer, the contractor is not likely to discharge his obligations satisfactorily, the District Forest Officer will be at liberty either to cancel the contract at once, forfeit the security and make other arrangements to supplement the work at his discretion. Any extra expenditure which the department has to incur for this purpose, will be made good by the contractor.

(*g*) Only poles passed by the Range Officers should be carted to jurisdiction of respective Ranges.

(*h*) The present contract is for the period ending with 30th June 1941 from the date of acceptance of the tender.

(*i*) No poles should be removed from the Forest without obtaining a passport from the Forest Range Officer or such other subordinate duly authorised by him.

(*j*) In the matter of consigning different kinds of poles from time to time, the contractor should abide by the instructions of the Range Officer.

(*k*) The contractor shall abide by the rules of the department as regards kindling of fire and hold himself responsible for any offence committed by him or his agents, employees

(*l*) The bills for carting should be supported by the receipts. The carting for one full month should be claimed in a single bill to be presented in the next month and no part payment will be allowed in the middle of the month. No claim for the cart-hire not claimed within three months from the date of its becoming due will be paid unless the delay in claiming is satisfactorily explained.

(*m*) The security furnished will be returned to the contractor three months after the expiry of the contract period, if the whole or any portion of it is not forfeited to Government for the violation of any of the terms of the contract, after satisfying that no poles are outstanding against the contractor.
